

2023 Interactive Member Directory Ad Contract

San Diego County
DENTAL SOCIETY

About the Interactive Member Directory:

The Interactive Member Directory will enable us to keep real-time, accurate member data easily accessible to SDCDS members and the public online through the SDCDS website. This new Interactive Member Directory will offer expanded information including all office locations, contact information, websites, full degree designations, residency programs and headshots!

Users will also be able to search by name and location, filter for specialty, and more.
