IMPACT REPORT

LETTER FROM LEADERSHIP

As we kick off 2023, I wanted to send you best wishes for a fantastic new year from San Diego County Dental Foundation. Thank you for being a member of our community. 2022 was an incredible year for us. This past year, we:

- Launched a new phase at the John Geis, DDS Dental Clinic with the hiring of a Clinic Director and Clinic Administrator
- Granted scholarships to five service-oriented first year dental students that paid for their dental toolkits and loupes
- Premiered a new video about the John Geis DDS, Dental Clinic featuring veteran patients Randy and Melanie
- Were featured by CBS8 on the 5pm news for our work with veterans at the John Geis DDS, Dental Clinic
- Hosted a Hollywood-themed gala for over 200 San Diegans which raised \$150,000
- Retooled our Give Kids A Smile program in response to Covid-19 and provided oral exams, sealant, and fluoride varnish to over 300 local children
- Deployed 30 volunteers at four health fairs, including the YMCA Healthy Kids Day and Stand Down for Veterans

We are so proud of all that our employees, volunteers, patients, and donors have accomplished, and we can't wait to see what comes next!

Sincerely,
Angela Landsberg,
Executive Director

MISSION

The mission of the San Diego County Dental Foundation is to promote the public understanding of oral health and provide access to dental care in our region.

PROGRAMS

Give Kids A Smile:

Volunteer dental providers performed oral screenings, placed sealant, and applied fluoride varnish for over 300 local children during National Children's Dental Health Month.

Health Fairs:

Volunteer dentists served patients at local health fairs, including YMCA's Healthy Kids Day and Stand Down for Veterans.

SCHOLARSHIPS

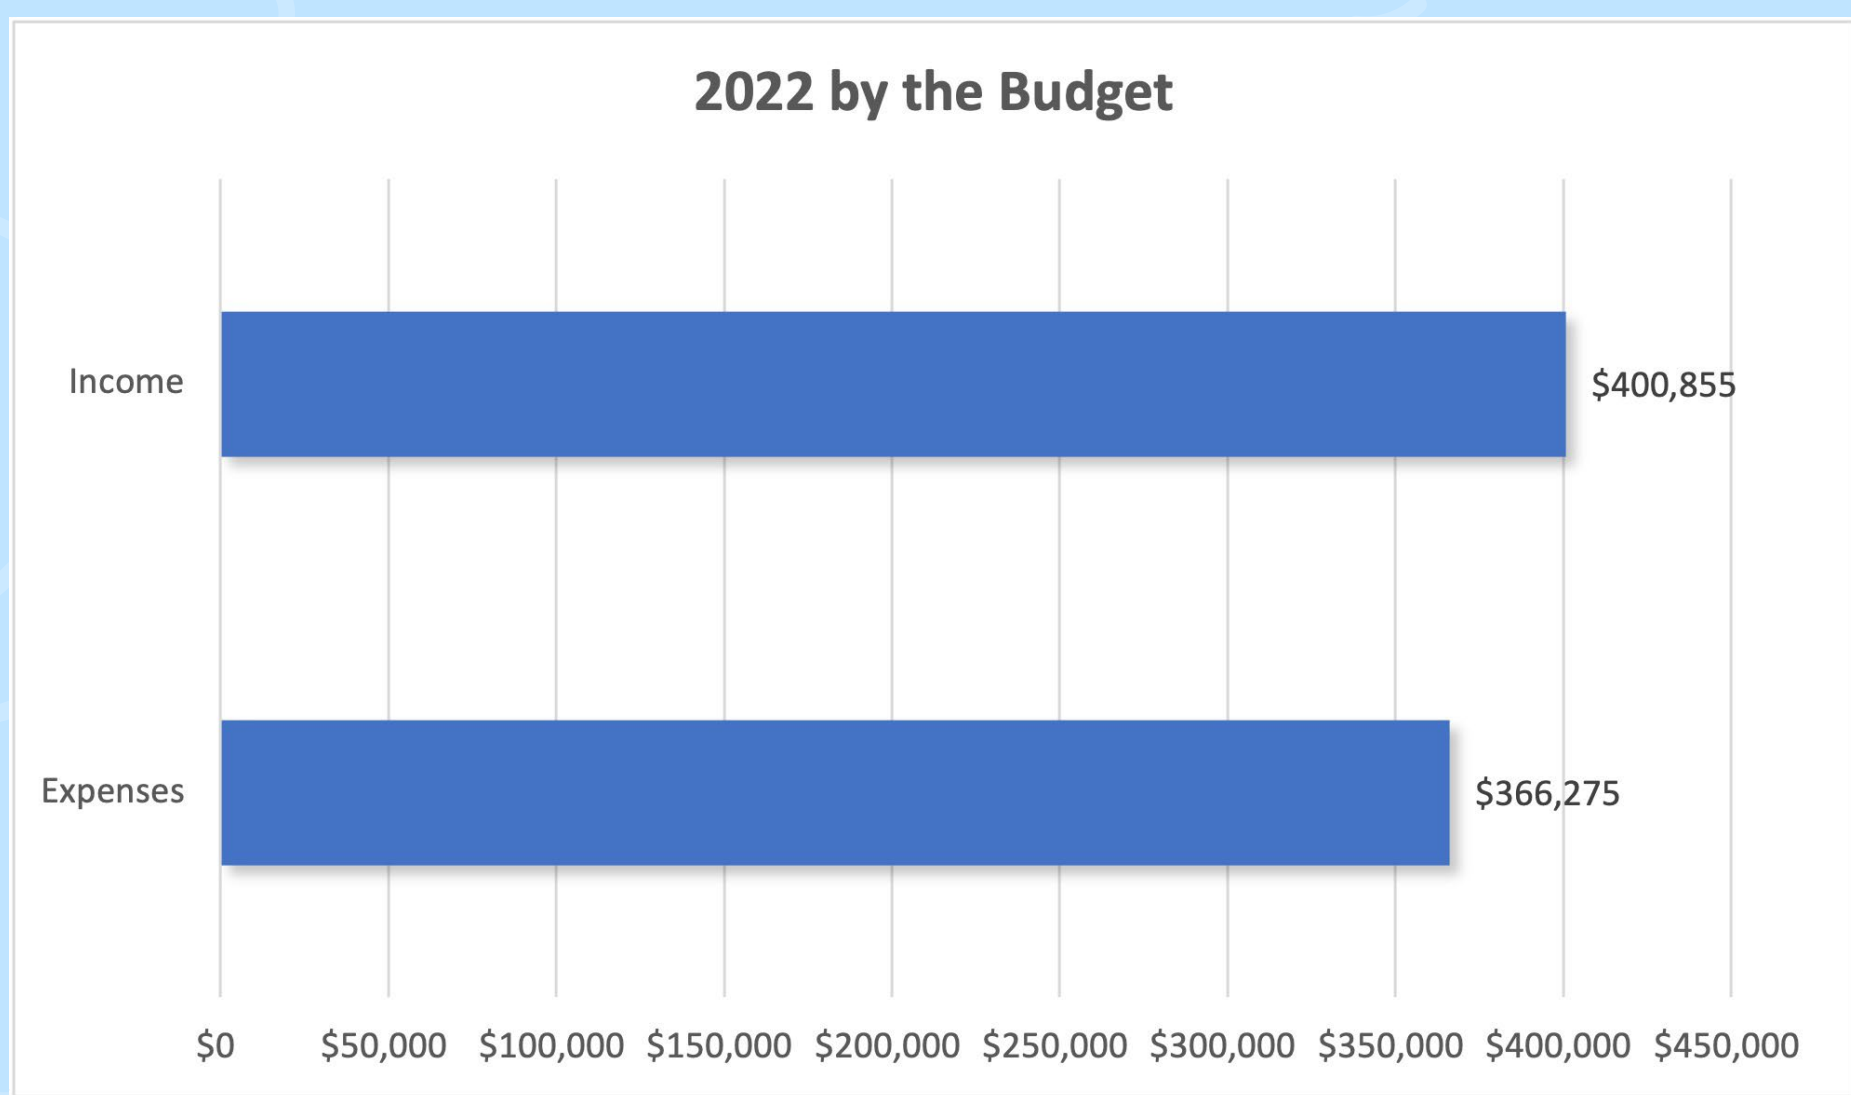

The San Diego County Dental Foundation distributed \$16,000 in scholarships among five pre-dental students.

Matthew Nguyen
SDCDF Scholarship Recipient

"With tuition prices and living costs rising, every bit of financial aid helps. The scholarship I received from SDCDF greatly helped to relieve some financial burden. To have been one of the chosen scholarship recipients continues to motivate me to study hard and make the most out of the opportunities presented to me."

CLINIC OPERATION

The John Geis, DDS Dental Clinic provides free full-mouth restorations to veterans residing at Veterans Village of San Diego.

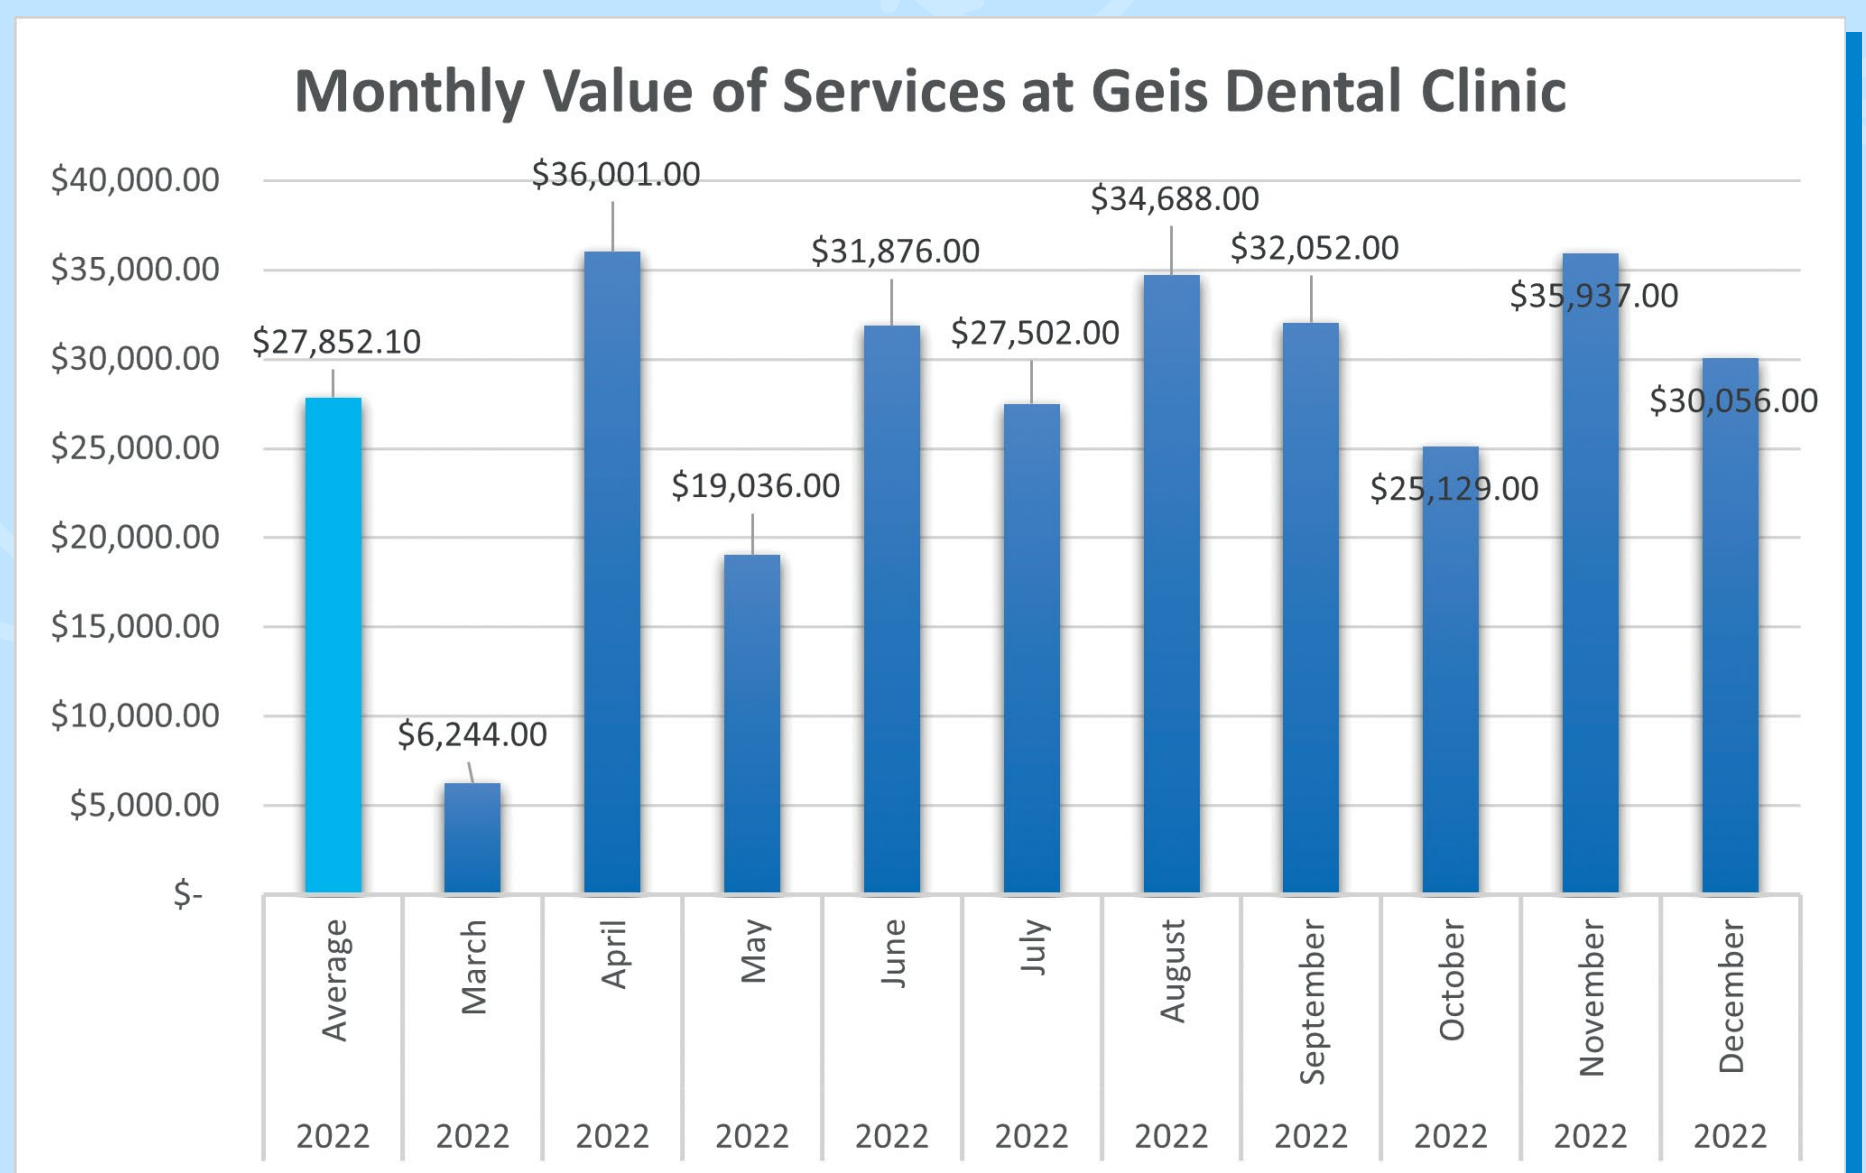

This veteran arrived at the clinic with no restorable teeth, many broken at the root. He received several extractions and full upper and lower dentures; the full value of his treatment was \$11,550. He can now be found strolling the VVSD campus playing his guitar with a big smile.

The clinic provided 30 dentures in 2022. Dentures replace broken or missing teeth and allow patients to chew again.
