

SAN DIEGO COUNTY DENTAL FOUNDATION

2023 Pre-Dental Student Scholarship Application
Application Deadline: April 10, 2023 by 12:00pm PT
Submit via email to support@sdcds.org

The San Diego County Dental Foundation (SDCDF) is a 501(c)(3) charitable organization that is committed to advancing oral health in San Diego County. Each year, SDCDF sets aside funds to award five to seven scholarships to senior students attending a San Diego college and planning to attend dental school following graduation. Scholarships typically range from \$1,500 to \$2,500. Applicants must already have received acceptance from the dental school they plan to attend. Scholarship applications will be reviewed by a committee of SDCDF volunteers including members of the SDCDF Board of Directors. Criteria to be considered include (but are not limited to): undergraduate participation in dental activities including the school's pre-dental program, participation in community service activities, and academic achievement. The awardees will be asked to attend an award ceremony in late April or early May. Please feel free to contact support@sdcds.org with questions or for more information.

Applicant Name: _____
Mailing Address: _____

Phone Number: _____
Email Address: _____
School (undergrad): _____

Total Units Completed: _____ Overall GPA: _____
Science Courses Completed: _____ Science GPA: _____
Dental School you plan to attend: _____

1. Describe your involvement in pre-dental activities and your school's pre-dental program.
2. Describe the significance of any extracurricular activity that demonstrates your leadership ability and commitment to community service. Be very specific and mention any organizations and offices in them that you have held. What goals did you accomplish?
3. Why would you like to become a dentist? Why do you believe you are uniquely qualified to be a dentist? What type of dentistry do you see yourself practicing in ten years?
4. Please provide the contact information for a supervisor or colleague from your extracurricular activities:

Name:

Email:

Phone:

Please have them write a few sentences about your extracurricular involvement.

Can San Diego County Dental Foundation use excerpts from your application in communication with members, donors, and the public?
